DC Wave Swim Team

Meet the Coaches/DC Wave Booster Club Facebook Page

As promised, this edition of the Parent Pause is dedicated to giving you a pictorial introduction to the Coaches of the DC Wave Swim Team! Let me start by saying these are "unauthorized" photos of the most dedicated members of our swim family, which makes it even more interesting *****HAHAHAHAHA***** (in my most sinister Halloween themed laugh!). Unfortunately I have to limit my photos to 1 per coach because of size :(I had some good ones too! As you will notice I need more photos of our newer coaches so I will be doing more picture taking! **Please click here ([Meet the Coaches document](#)) to open the document and "Meet the Coaches"**.

On ANOTHER note! Those of you who are FACEBOOK users, we have a [FACEBOOK](#) page! Just search for "DC Wave Swim Team (Booster Club)" to access and join our group. This is another place you can deposit photos, videos, comments, etc. (if you like). There are some from past seasons on there for your viewing pleasure. Please be mindful that any photos that are posted are available for all to see. Unless I have permission I don't list the child's full name (usually I will only put first name). Please exercise the same caution with any photos of the kids that you post to the group. If you tag someone or someone tags you and you don't want that tag - remove the tag and you are no longer identified by name. Additionally, if your photo settings are set that only your friends can view your photos only people who are member of the group (who are your FACEBOOK friends) will be able to see them.

If you have questions or comments you know how to reach me! See You At The Pool!
